

PATIENT EXPERIENCES

"Dr. Pabst and his NP Rebecca are 2 of the most conscientious and caring medical professionals I have ever come across! He saved my life twice with artery bypass surgery. Both times very successful and great recovery. For anyone with vascular issues he is the best without a doubt." -Holly S.

"Excellent!!! Very thorough examination. He was very careful in stating what he was doing and on the follow up." -A. Armstrong

"I have been a patient of Doctor Pabst' for years. He and his staff are outstanding, knowledgeable, professional and detail oriented. If it were possible to add stars I would." -Robert S.

Dr. Theodore S. Pabst, III received his BA from John's Hopkins University in Baltimore, Maryland. He graduated with his MD from Northwestern University in Chicago Illinois. His general surgery residency was completed at the University of Illinois Medical Center, also in Chicago. He attended the University of Arizona Health Science Center in Tucson, where he completed his vascular residency.

**YOUR CARE AND RECOVERY
ARE OUR HIGHEST PRIORITIES**

CHAMPLAIN VALLEY VASCULAR IS A PRIVATELY
OWNED PRACTICE FOR OVER 25 YEARS

Personalized Care in a Convenient,
Patient-Centric Environment

At Champlain Valley Vascular Surgery, we are dedicated to providing exceptional care for patients with vascular needs. Our mission is to enhance the quality of life for our patients through compassionate, specialized, and individualized treatment.

WHY CHOOSE US?

Within our in-office large procedure suite, patients receive specialized vascular procedures in the comfortable and convenient environment of our office. By focusing on minimally invasive procedures, this minimizes disruption to your daily life, leading to quicker recoveries and reduced hospital stays.

Convenient Parking and Flexible Scheduling

Your time is valuable, which is why we provide convenient parking and flexible scheduling options. Our accessible location at 11 Hammond Lane in Plattsburgh, NY makes it easy for you to visit us. Additionally, we can accommodate a variety of scheduling needs to ensure that your appointments fit seamlessly into your life.

Office Atmosphere

Our in-office procedure suite offers an intimate and welcoming environment designed with your comfort in mind. We believe that healthcare should feel personal, which is why we strive to make every patient feel valued and respected.

Continuity of Care

Prioritizing continuity of care means ensuring that the same dedicated staff members are with you from your initial appointment through your procedure. This familiarity provides comfort and allows personalized attention to your needs. You are not just another patient; we take the time to understand you and tailor our approach to support your vascular needs.

INNOVATIVE PROCEDURES
